Global Chemical Regulation Conference

London

Sponsorship Opportunities

Why Sponsor Our Event?

The CIRS 2025 Global Regulatory Conference offers the opportunity to connect with over 100 industry professionals including key decision-makers, manufacturers, and distributors.

As a sponsor, your company will have ample opportunities to showcase your services and expertise.

Our Gold, Silver, and Bronze sponsorship packages offer different levels of visibility, ensuring a tailored approach to suit your marketing goals.

Sponsorship Benefits Include:

- **Brand Exposure** – your company's logo on event materials and communications.
- **Exclusive & General Promotion** – Your company will receive dedicated social media promotions (depending on sponsorship level), in addition to broader event highlights before and after the conference.
- **Engagement Opportunities** – Showcase your services through exhibition spaces, distribution of materials, speaking slots, and panel participation (depending on sponsorship level).
- **Unmatched Networking** – Connect with government representatives, manufacturers, distributors, and those navigating regulatory challenges in new and existing markets.

Don't miss this opportunity to elevate your brand and engage with the industry's top decision-makers. Secure your sponsorship today!
